**Subject:** RE: Wind River Reservation Pollution Discharge Permits

Mr. Holden,

This is to inform you that your emailed comments have been received and forwarded on to the permit writer. Comments will be addressed at the close of the comment period. If we have any questions or need clarifications on your submittal, we will be in contact with you.

Thank you. VelRey Lozano

Subject: Wind River Reservation Pollution Discharge Permits

This is to implore the EPA to rewrite the permits to regulate all the chemicals being discharged and to determine whether the "produced water" is potable for wildlife and livestock.
